The play is a good player, you will find that he is an entirely different sort of the playing till you will he the you will have a play the play the one other man, when he wil

and it will certainly seem foolish to anybody who hasn't played poker to say that it is a recognizable factor in the game, but, after all, it is no more wonderful myself, a real hunch is the next thing than a good many other things that we can't explain, even after we are obliged to admit that they are true.

"I have never had many hunches myself, though I have my spare of such fool notions as I was just speaking about, and they very often cost me money. Sometimes one of em will win out, and so encourage me to keep on playing them, I don't know as they are such bad things to have, for a good winning at poker is likely to be equal to several losses, but I'm a little scarcy of them at that.

"When a real hunch comes, though, I play it for all I can, I remember a case about a year ago in which one of them saved me from a monstrous awkward situation.

"I was in Chicago and was skating out pretty near the edge of the ice. The

Huation. "I was in Chicago and was skating out rectly hear the edge of the ice. The mainess I was on had used up almost all my ready money and the profits hadn't egun to come in. There was mobody out here, the Levell bearty from without pretty near the edge of the ice. The business I was on had used up almost all my ready money and the profits hadn't begun to come in. There was nobody out there that I could horrow from without harring my credit, and I had the up everything at home so that I couldn't raise cash without a lot of trouble.

"In other words, I had overplayed the speculation, and stood to lose a lot unless aomething turned quickly. And it didn't look like urning quickly. And it didn't look like urning quickly. "At last it came to a situation where I had to have about six hundred in cash the next day, or pull out, and pulling out meant something like a disaster. I counted un what there was in my pocket after dinner and I found just two hundred with enough odd change for living expenses for a day or two.

"It looked like the last throw of the dice for me, and I figured that about four-fifty more would pull me through, but if I hadn't the four-fifty, I might better give up the game.

"I hadn't been playing out there, for
